To whom it may concern,

I am writing to recommend the services of Eko Hearing Protection. Norquest Industries Inc. has recently switched over to Eko Hearing Protection and have been completely satisfied with the services they provided. They do an excellent job, are punctual and employees are happy with the variety of hearing protection to choose from. They have been reasonably priced and have done exactly what we've asked of them.

I am happy to recommend the services of Eko hearing Protection. If you have any questions, feel free to contact me. I can be reached at 780-434-3322.

Sincerely,
